Dear Mr. Bell:

It was good seeing you at Secretary Jack Kemp's address sponsored by the Heritage Foundation.

As I stated then, as a former resident of the 14th and W Streets area, I owe you many thanks for the things which you did on behalf of the city's youth. Believe me, Hillcrest Children's Center Saturday Program often brings back fond memories.

You should take pride in the fact that your example of selflessness continues in so many of us. Thanks for all you have done and all you do.

Sincerely,

Lonnie P. Taylor
